On November 1, 1946, an article appeared in the Rambler, newspaper for the Lanham-Bowie area, Maryland, stating that Mr. and Mrs. BELA GOLD, their child, and Mrs. ABBIE WHITE, who had been guests of Mr. and Mrs. HENRY H. COLLINS, Jr., had left during that week to take possession of their new apartment in Washington, D. C.

[REDACTED] b7D b7C

On October 25, 1946, an edition of the Rambler carried an article as follows:

SECRET

61812

"Mr. HENRY H. COLLINS, Jr., of White Pines, formerly associated with the State Department, is now with the Inter-Governmental Committee on Refugees. As a member of a two-man mission, he expects to leave for South America in about three weeks. They hope to return to the USA and home by Christmas.

"Mrs. COLLINS, whom radio listeners known as SUSAN B. ANTHONY, is now broadcasting her five day a week program out of New York over station WLIB.

"JOHN COLLINS, son of Mr. and Mrs. HENRY H. COLLINS, Jr., has returned to enter his fifth form at Fountain Valley School, Colorado Springs, Colorado."

By means of a physical surveillance on October 30, 1946, Special Agents COURTLAND J. JONES and W. RAYMOND WANNALL determined the office of the Inter-Governmental Committee on Refugees is located in room 320 at 1344 Connecticut Avenue which address is also occupied by the United Nations Relief and Rehabilitation Administration. However,

The Inter-Governmental Committee on Refugees has had its office in the building occupied by UNRRA for about two years. However, it has no connection with the latter organization. It has a completely separate staff, investigates and controls its own employees, and makes all travel arrangements for its employees. MARTHA H. BEINLE is the person apparently in charge of the committee.

COLLINS was scheduled to leave Washington, D. C., November 6, 1946, for New York City where the following day he was to take a plane for South America. Another employee of the Committee was to join him in South America the latter part of the month of November. COLLINS' work with the Committee comes under repatriation and welfare division.

On November 6, 1946, Special Agents WILLIAM R. CORNELISON and W. RAYMOND HANNALL maintained a physical surveillance on COLLINS with the following results.

At 1:43 p.m., COLLINS left Lanham, Maryland, in his automobile. He drove to the following places in Washington, D. C.: a drycleaning establishment on New York Avenue where he picked up a tuxedo; a leather goods store on 13th Street between E and F where he picked up a briefcase; the Mattsville Building and Loan Association on 14th Street between H and I where he transacted some business; the Zoric Cleaners at 21st and Pennsylvania Avenue where he picked up some laundry.

COLLINS then parked his car in the vicinity of the UNRRA office building. At 5:35 p.m. he left his office with an unknown man. This man helped him transfer his luggage to a taxi cab and then took the keys to COLLINS' personal car. COLLINS proceeded in the cab to 1318 Vermont Avenue, the office of the National Council for Negro Women. He entered this address and stayed for a half minute. He then proceeded in the same taxi to Union

station arriving at 3:58 p.m. COLLINS boarded the Congressional Limited Pennsylvania Railroad train which left Union Station at 4 o'clock. He had a first class ticket in his possession but purchased a pullman seat from the conductor. While on the train he spent some time in the diner and some time in the smoking room at the end of one of the cars. He rode to New York City without conversing with anyone in the train aside from the conductor, the porter, and the waiter in the dining car. The train arrived in New York City at 7:35 p.m. At 7:40 p.m. the surveillance was turned over to agents of the New York Field Office in Pennsylvania Station.

By teletype dated November 7, 1946, the New York Field Office advised that from the Pennsylvania Station COLLINS proceeded to the Airlines Terminal Building where he checked his baggage on Pan American Airlines Flight 201. He then visited the Chelsea Hotel where JOSEPH LOSEY, subject of an Internal Security - R case, Los Angeles origin, was then residing. Thereafter, COLLINS went to the post office and then to 38 Barrow Street, the home of SUSAN B. ANTHONY, II, wife of COLLINS. Subject then proceeded to La Guardia Airfield where he boarded airplane flight 201 which departed at 5:25 a.m., November 7, 1946, for Montevideo. COLLINS was traveling according to his ticket and airline information to Montevideo. The plane was scheduled to arrive there on November 9, 1946, around 6 or 7 o'clock in the evening.

On November 15, 1946, Agents CORNELLSON and WANNALL approached the COLLINS residence in Lanham, Maryland, and talked with an elderly woman living there who identified herself as Mrs. H. A. (MINNIE) DAVIS. Mrs. DAVIS said she and her daughter Miss LODA MAE DAVIS, who is employed at UNERA, have rented the house from COLLINS. She said Mr. CHARLES ALSPACH occupies one of the rooms in the house and drives Miss DAVIS to work and home each day. Mrs. DAVIS was unable to say when COLLINS would move back to Lanham, Maryland, or where he could be located at the present time.

CHAPMAN:

The following information was compiled by Special Agent C. D.

[REDACTED]

The following information was furnished by Confidential Informant b1
[REDACTED] unless otherwise indicated. b2 b7D

November 1, 1946

MARY JANE KEENEY contacted DUNAWAY and stated that she had spoken to ED BRECHER late that afternoon about the radio station and the thing looked good although ED still is scared because of too many inexperienced people. ED wants to let things go on until his new production man comes on in two weeks. MARY JANE stated that she doesn't want to go on with ED's lack of full support and she does not believe that ED has full confidence in her. PHILIP advised her that he had talked to ED that day and pointed out that MARY JANE had put herself out in connection with the job and that ED had not acted very well toward her. PHILIP told ED he should make up his mind as to what he is going to do about MARY JANE and that he should call her up and explain it to her. PHILIP said that ED's main trouble was the affliction of his son, JOHN, which necessitated his being kept in bed for two years. MARY JANE advised that she had seen LATTIMER yesterday and told him why she did not want to do anything immediately.

MARY JANE discussed her and ANGUS' coming to PHILIP's home Tuesday evening. She will let him know definitely on Tuesday.

They then discussed the great headway being made at the radio station after which PHILIP requested MARY JANE to come over that evening, which she finally agreed to do.

On this same date MARY JANE KEENEY contacted LILLIAN DUNAWAY and advised that the floor waxers came as she was getting ready to leave and that it was now too late to come over this evening. LILLIAN wants ANGUS and MARY JANE to come over Tuesday since they have another guest coming - a G.I. from Minnesco who spent some time in Japan.

November 5, 1946

PHILIP KEENEY contacted LILLIAN DUNAWAY and advised that he had just got in about 6:00 P.M. and that he and MARY JANE would be over around 9:30. LILLIAN advised that DAVE would be there later on.

November 5, 1946

LILLIAN DUNAWAY contacted PHILIP KEENEY and suggested that he pick up HARRIET SIMONS (ph) and bring her over with them.

November 13, 1946

MARY JANE KEENEY contacted PHILIP DUNAY stating she wants terribly to see him about the radio station. She said that she saw ED BRECHER today and had a talk, going "to the mat" on the thing. She said she wanted to see PHILIP as he knew as much as anyone about this and she feels he is the best person to see about one or two crucial points. PHILIP stated he was less and less interested in that station but sympathized with MARY JANE, saying that he thinks ED is making a very grave error of judgment.

MARY JANE said she went to the stockholders' meeting which went smoothly from management point of view. She stated she was never so enraged as she was up there on account of something that failed to happen, but she would rather discuss that personally. MARY JANE said she feels particularly bad about one thing; mainly that a split has arisen among the people for whom she had great respect. She said: "You always expect difficulties with certain groups but with your own group, betrayals are very difficult." PHILIP said he thought she was not including too many people in her word "group", to which she agreed.

PHILIP stated that he and LILLIAN are making plans to move to New York, both being eager to go back to the place they consider home. He said there was nothing definite up there as yet.

MARY JANE advised she did not think the conversation she had with ED was satisfactory but that she still had great interest as to the possibilities of the radio station but has grave doubts of being able to accomplish anything under the conditions. She suggested that she come out tomorrow night to see PHILIP and will see him or call him tomorrow.

~~SECRET~~EDWARD FITZGERALD

The following investigation was conducted by Special Agent J. J. CANAVAN during the period November 1 through November 15, 1946.

Mail cover placed on subject's residence was not productive during the above period. (S)(u)

Confidential Informant [REDACTED] furnished the following information concerning EDWARD FITZGERALD'S activities from November 1 through November 15, 1946: b2 b7D

On November 3, 1946, REBEKAH FITZGERALD invited an unidentified woman and her husband to dinner on Tuesday night, instructing her to get there about 6:00 p.m. so that they could clear the things away before the people arrived. REBEKAH said, "I don't know whether we're having a tremendous crowd . . . in fact I don't know who is coming, but a lot of people have been asked and have said maybe." (S)(u)

On the same date, HARRY MAGDOFF was in contact with ED FITZGERALD and HARRY said that the important thing on the HARRY (possibly HARRY WHITE) business is for him, HARRY MAGDOFF, to straighten the thing out as to whether the other people are interested and if they are then he will talk to WALLACE. ED said he has become interested in the "New Republic" deal because they have a leg in every camp. HARRY wanted to know who told JIM (possibly JIM MONDAY) about it and ED said that JIM talked to MIKE BESSY (phonetic), who works for a newspaper and who is a brother of ALVA BESSY (phonetic). ED said that the "New Republic" is offering MIKE a job as managing editor and is going to publish a six page periodical similar to "Newsweek" with the major political and economic developments of the week. ED said that MIKE had recommended him to them and that he was not terrifically interested in a job there unless it fit in with all the other ideas. He agreed that he would possibly go to New York on Wednesday or Thursday with MAGDOFF and find out about the "New Republic" job. (S)(u)

On November 4, 1946, ED FITZGERALD conversed with FEROL CORNELLISON and told her that he had talked to LAPPY (IRVING ZAPLAN) and that he suggested that FEROL contact JACK GRAUMIN about a job. GRAUMIN can be reached on Republic 7500 and is with the Stabilization Study. ED said that the trouble with the War Assets job is that it will end next April. FEROL said she would get in touch with JACK. (S)(u)

On the same date, FEROL CORNELLISON contacted JACK GRAUMIN, who is with the OWNR on extension 2335. She spoke to him about a job opening in his office and he advised her that he does have one open and would like to have her. (S)(u)

~~SECRET~~

SECRET

61818

He said that he is doing a wage study and that KAPPIE (IRVING KAPLAN) is working there with him. FEROL agreed to drop around and see him on the next day at his office at 734 Fifteenth Street, E.W., on the eighth floor. (S)(u)

On the same date, REREKAE FITZGERALD conversed with their maid SARAH and advised her that they were having the STONES for dinner the next night, after which there would be several people dropping in. (S)(u)

On November 9, 1946, FEROL CORNELISON contacted ED FITZGERALD and wanted to know if he was editor of the "New Republic" yet. ED said he hadn't gotten rid of HARRY WALLACE. (S)(u)

On November 11, 1946, ED FITZGERALD conversed with an individual known only to the informant as HARRY (possibly HARRY MAGDOFF). ED wanted to know whether HARRY thought there would be any objection to his "lifting" questions on material from their budget message and HARRY said he didn't see any objection to this. ED indicated that he was "lifting" a few paragraphs and changing a few tenses, etc. He also mentioned that VEET (possibly VEET BASSIE) had gone to Chicago and would return Wednesday. ED said he wanted to talk to VEET about "that thing." HARRY said he was going to discuss it with HARRY WEITE that night. He also mentioned that they were going to call the new institute the Brandeis University rather than the Einstein University. They agreed to try and have lunch the next day with IRVING KAPLAN. ED also confirmed the fact that he and HARRY were going to have dinner at HARRY'S home on Wednesday night to discuss the people who should be present to see "on the news" changes being shown on Friday. (S)(u)

On November 13, 1946, REREKAE FITZGERALD contacted her daughter KAREN and told her she was having dinner at the home of HARRY MAGDOFF. (S)(u)

On November 14, 1946, KAREL WHEATON conversed with ED FITZGERALD and related that she had some cousins coming over that night, one of whom she stated was a cousin who is with the FBI and who resides in Baltimore. She also said that some people from the Library of Congress were coming in and that Mr. MALONE would be there. (S)(u)

On the same date, FEROL CORNELISON conversed with ED FITZGERALD and discussed the applications she is making for a job and asked him if he would speak to HAROLD FISHER, who is with the Committee of Refugees. ED agreed to do so. She also told him that she has a list of positions available at the Library of Congress and is filling out applications for them. She also asked ED for DAVE WEINTRAUB'S address and title at the United Nations. ED gave DAVE'S title in part as Director of Economic Development, and promised to let her know it more accurately later on. (S)(u)

SECRET

SECRET

61819

On November 15, 1946, FEROL CORNELISON conversed with ED FITZGERALD and advised him that JACK REIMER told her that his agency is folding up. ED said he was supposed to see JOEL FISHER at his office, but that he didn't come by. FEROL remarked that she was seeing someone in FISHER'S office on the next day. She said that the organization is called the "Intergovernmental Committee on Refugees," and that BEATRICE REIMAN had told her about it, and that it was possible that UN might take it over eventually, and FITZGERALD confirmed this statement. ED mentioned that he is still working for Mr. HARRIMAN but knows that he has to start looking for something else, but has no idea where to look. FEROL said she didn't know whether IRVING KAPLAN would be affected by REIMER'S office folding up, but ED said that he would since the whole organization was dismantling. (u)

With reference to the Intergovernmental Committee on Refugees, information concerning this organization is being set out in the information under HENRY COLLINS, Jr., another subject in this case.

On the same date, ED FITZGERALD conversed with JOEL FISHER. FISHER can be reached at Decatur 7798. ED spoke to FISHER about the job for FEROL CORNELISON and told him that she is an unmarried woman about fifty years of age and wants a job in about grade CAF 6 or 7. He also said that she worked with him and HARRY MAGDOFF at NRP about nine years ago and for one of the senators on the Hill and also for Red Cross. The following investigation was conducted by Special Agent ROBERT T. McCASLIN.

It was reflected in report of Special Agent LAMBERT G. ZANDER, dated July 19, 1946, in instant case, that the GOLDS were vacationing at Echo Point Cottage, Meredith Center, New Hampshire. The GOLDS remained at this vacation spot until the first week in September at which time they returned to Washington and took up temporary residence with HENRY HILL COLLINS, JR., Crandall Road, Lanham, Maryland.

Contact was made with Mrs. DOROTHY GRIGSBY at the Information Desk in the Treasury Department and it was determined through her that SONIA GOLD had returned to the Treasury Department and was presently working in the office of Mr. MORRIS FRIEDBERG, in room 3437.

Contact was maintained with Mr. DAVID HARRICK of the Fidelity Storage Company, 1420 U Street, N. W., and it was determined through him that the GOLDS requested their household goods which were stored with the Fidelity Storage Company, moved to 3416 - 10th Place, S. E., on Friday, October 25, 1946. Mr. HARRICK further advised that the GOLDS were occupying apartment No. 2C at the above address and that the payment to the Fidelity Storage Company for the storage bill was made by check drawn on the Peoples National Bank at Laconia, New Hampshire.

It is to be noted that the mail cover placed on the subjects' former residence at 3007 North Pershing Drive, Arlington, Virginia, was non-productive as of October 1, 1946, at which time they took up residence with HENRY HILL COLLINS, JR.

[REDACTED]

As a matter of record, a new mail cover was requested on November 13, 1946 on the subjects' present address, 3416 - 10th Place, S. E., Apartment 2C.

The following investigation was conducted by Special Agent
GEORGE A. VAN NOY.

Information furnished by Confidential Informant [REDACTED] revealed that on October 29, 1946, MURRAY LATIMER was in contact with GEORGE SILVERMAN, at which time LATIMER was informed that HARRY MAGDOFF was going to visit SILVERMAN on that date. During the same contact, SILVERMAN said that he would come to LATIMER's office on the following day in order to have lunch with LATIMER. The same source revealed that actually on the following day, LATIMER and SILVERMAN planned to meet for lunch at 1:10 p. m. at Harvey's Restaurant on Connecticut Ave. (X) (u) b2 b7D

Confidential Informant [REDACTED] had reported a contact on October 29, 1946 between MURRAY LATIMER and MARY JANE KEENEY, during which the possibility of Mrs. KEENEY being employed by LATIMER was discussed. This source two days later, on October 31, revealed that Mrs. KEENEY contacted LATIMER's office, mentioned that she had been asked by LATIMER to come in and discuss an editorial test, and asked if it would be all right to come in at 4:30 on that afternoon. An appointment at this time was arranged and Mrs. KEENEY was given information as to how to reach LATIMER's office. b2 b7D

On November 14, 1946, a woman from LATIMER's office was in contact with the office of LEE PRESSMAN in behalf of LATIMER and left LATIMER's telephone number for PRESSMAN. (X) (u)

On November 4, 1946, a physical surveillance of MURRAY LATIMER conducted by KENNERLY CORBETT and Special Agent GEORGE VAN NOY revealed that LATIMER left his office at 734 15th Street, N. W. at 12:40 p. m., and walked to the corner of H and 17th Streets, N. W., where he met ALICE M. DEMERJIAN and went with her directly to the Greystone Restaurant at 730 17th Street, N. W., where they lunched together. Following lunch, LATIMER and DEMERJIAN walked together to Lafayette Park where they stopped and talked for a few minutes before LATIMER proceeded in the direction of his office, and DEMERJIAN went to the State Department Building, Pennsylvania and 17th Street, where she was observed to enter Room 223, which, according to information obtained through Mr. MORSE ALLAN, of the State Department, is the office to which DEMERJIAN is presently assigned.

The spot surveillance of LATIMER, conducted by Special Agent GEORGE VAN NOY on November 17, 1946, revealed that LATIMER left the building where his office is located at 5:40 p. m. in the company of an

~~SECRET~~

unidentified woman with whom he had been observed leaving the building once previously at lunch time. On the previous occasion, LATIMER and the unidentified woman parted a few steps from the building entrance and on November 17, they proceeded to W Street, where they boarded separate street cars. The action of LATIMER and this woman are such as to indicate that she is probably employed in his office.

Surveillance of the unidentified woman revealed that she proceeded directly by Mt. Pleasant street car to 16th and Columbia Road, N. W., and from there to the Meridian Hill Hotel at 2601 16th Street, where she was identified as PATRICIA DONAVON, resident of that hotel. WFO files contain no information concerning PATRICIA DONAVON.

On this date, OTTO NATHAN contacted HARRY MAGDOFF, who informed OTTO that he had talked to HARRY WHITE and WHITE said he would be very glad to serve on such a Committee, to sit down and write a Constitution. MAGDOFF will meet with HARRY WHITE tomorrow. MAGDOFF will have a list ready for OTTO to check on before they meet. OTTO asked if HARRY WHITE was very much interested, and MAGDOFF replied that he definitely was interested and is certainly the kind of person OTTO would want on this kind of a committee. OTTO agreed to contact MAGDOFF at his office at 9:30 Wednesday morning. On this date, the informant advised that Mrs. LISHINSKY, probably Mrs. SOLOMON LISHINSKY, was at the MAGDOFF residence. (X)(u)

[November 2, 1946] (X)(u)

DAVID NUSSBAUM contacted HARRY MAGDOFF and invited the MAGDOFFS to visit him at 4:00 p. m. tomorrow. HARRY invited DAVID over for the evening next Wednesday, a week, and DAVID accepted. HARRY informed DAVID that he had to go to New York the latter part of this week. They agreed to go to the zoo together next Sunday. HARRY and BEADIE will drop by DAVID's with the children after they take BEADIE's mother to the airport tomorrow. DAVID advised HARRY that he had a recent run-in with JOHN P. LEWIS, Managing Editor of "P. M." and is no. through with "P. M." DAVID has written to RANDY and BOB, but he doesn't know what will develop. DAVID may go into the Trade Union field. HARRY advised DAVID that he is leaving for New York, probably next Wednesday night, but desires to be back by Friday. He informed DAVID that the New Council has asked him to be their Director. The informant learned that MCCARTHY used to have the job and received \$15,000 per year. HARRY discussed the possibilities and informed DAVID that he does not have much evidence in them. DAVID agrees with HARRY and remarked that they are fading and that every plan they have ever had has been destroyed or eliminated. They discussed the shortcomings of the new Council. HARRY will tell DAVID about the counter offer he made the Council when he sees him. On this date, HARRY MAGDOFF contacted HARRY WHITE and it was arranged that MAGDOFF would visit WHITE within an hour. (X)(u)

The informant ascertained that BEADIE MAGDOFF was in contact with LEONARD NIERENBERG. (S)(u)

WHITE will try to get DICK GILBERT (phonetic), and if not, the three of them will see if they can work out something. MAGDOFF agreed to be at WHITE's tomorrow night. (S)(u)

ED FITZGERALD, who had just returned from New York, contacted the MAGDOFFS, desiring to know if they are coming to his home Tuesday. ED inquired of HARRY MAGDOFF regarding HARRY WHITE. FITZGERALD remarked that there are openings on the "New Republic" and he wanted to discuss them with HARRY. ED advised HARRY that LEHMAN is out on this thing. He is very anti. ED further advised that the elections looked very bad in New York. (S)(u)

On this date, the mother of BEADIE MAGDOFF advised her that she sat next to Mr. BERNSTEIN on her plane trip from Washington to New York. According to BEADIE, Mr. BERNSTEIN is the boss of IRVING KAPLAN. On this date, HARRY MAGDOFF was in contact with ED FITZGERALD, advising ED that HARRY WHITE is cooling off on this thing. FITZGERALD did not blame WHITE, inasmuch as he is making a terrific income where he is. FITZGERALD further stated that at the end of the last session, WHITE said he was interested, but would have to understand the terms, etc. MAGDOFF agreed that the thing ran into a lot of money and that HARRY WHITE did not think it too desirable to have WALLACE as Chairman of the Board. WHITE thought that WALLACE should be on the Board and his name used, but not Chairman. WHITE feels it would be too much identified as WALLACE's "thing" and also he wasn't too sure WALLACE would accept. He was sure he could sell him on a membership on the Board. MAGDOFF stated that it was up to him when he went to New York to straighten out with the guys whether they are interested and want to go ahead, and then he will talk to WALLACE. HARRY advised ED that he will be (S)(u)

in New York and will have to go to the dinner anyway and will arrange with the guys either before or after the dinner. ED remarked that it is all right but vague, but HARRY stated, "Yeah, it is vague until you see the half million bucks." ED then discussed the possibilities of a job with the New Republic magazine, inasmuch as they need a staff. He advised HARRY that JIM talked to MIKE STRAIGHT and MIKE BESSIE, who are doing the hiring. BESSIE is being offered the job of Managing Editor and wants four or five other editors. MIKE BESSIE mentioned ED to them and JIM also recommended ED. HARRY believes that ED should talk to MIKE STRAIGHT anyway. ED is doubtful he will receive a good salary with the New Republic but states that the job might fit in with all the other ideas. (X)(u)

On this date, HARRY MAGDOFF was in contact with DAVID NUSSBAUM, at which time he advised DAVID about the possibilities of a job with New Republic and inquired if DAVID knew MIKE BESSIE. DAVID does not, but he had conversed with HELEN FULLER, New Republic Editor, in Washington, D. C., who advised him that there was nothing in Washington. DAVID informed HARRY that he and his wife, MARIE, are also trying to work out a plan for going abroad as a Reuter photographer team. They want to go to the Balkans and would like to go to Russia. [November 4, 1946] (X)(u)

On this date, BEADIE MAGDOFF informed JOAN DE WIND (?), among other things, that HARRY had met a man named I. F. STONE, whom he likes very much. STONE is elderly and deaf. On this date, BARBARA HAGEN (pho.) employed by the "Free Press" contacted BEADIE MAGDOFF to discuss a statement from BEADIE to appear in the paper. She read this statement, "I have long felt the need of a progressive newspaper in Northern Virginia. The newly born North Virginia Free Press is such a paper. In terms of editorial policy, news covered, and community interest, it deserves to be read by every member of the family. Since the population of Arlington, Alexandria, and Fairfax comes from many parts of the country and brings the thinking and traditions of other sections, this area can become the focus of the liberal movement in this part of the country." BEADIE disapproved on the use of "other parts of the country." (X)(u)

BARBARA advised BEADIE that IDA ENGELMAN had suggested it. BEADIE stated that the first part of the statement was all right. BARBARA asked for specific reasons why BEADIE thought the paper was of value. BEADIE emphasized the newness of the people in this area and their desire to participate in the community and the fact that this is a community paper that can help bring them together. (X)(u)

BARBARA advised that Rev. WILLIAM BATHAM had written a statement and that Mrs. VAN TASSEL is writing one which will be more from the political action angle, possibly using the PTA angle. BEADIE thought the statement was very long, but it was explained that in type it would take very little space. Subsequently, on this date, HARRY MAGDOFF was in contact with GEORGE SILVERMAN and they agreed to go to HARRY WHITE's together that night. However, GEORGE advised HARRY that he did not see much sense in it. Later on this date, BARBARA HAGEN (phonetic) again contacted BEADIE MAGDOFF and read the statement she had prepared after talking with GEORGE ENGELMAN, "I have long felt the need of a progressive newspaper in Northern Virginia. The newly born North Virginia Free Press is such a paper. In terms of editorial policy, local news coverage, and community interest, it deserves to be read by every member of the family. In recent years, Northern Virginia has welcomed thousands of new residents from all parts of the United States. Like all good citizens, they wish to relate themselves to their new community. I can think of no way of doing this easier or better than by subscribing to the Free Press." BEADIE thought this statement was fine and she was glad to see it. (S) (u)

On this date, V. LEWIS BASSIE contacted HARRY MAGDOFF, advising that he was under the impression that there was to be a meeting tonight. HARRY informed BASSIE that there would not be another meeting until they got some more indication from "these guys" whether they wanted to go along with it." (S) (u)

The informant ascertained that BEADIE MAGDOFF invited REBECCA and EDWARD FITZGERALD to dinner on Wednesday, November 12, and also the informant ascertained that the MAGDOFFS would not be able to be at the FITZGERALDS' tomorrow night due to the uncertainty of HARRY's schedule. BEADIE was in contact with PEGGY NIERENBERG, who advised that LEONARD NIERENBERG is going to work at Housing. She informed BEADIE that LEONARD does not like Housing either, but dislikes it less than Census, and that he can keep looking around "on Government time." (S) (u)

[November 5, 1946] (S) (u)

On this date, HARRY MAGDOFF was in contact with CY AXELROD about the Einstein Foundation and Middlesex School. HARRY advised that this school had been legislated out of business and it was owned by a "bunch of Jews", the graduates could not gain admittance to other schools, and the A. M. A. said it could not accept the school because it did not have adequate clinical facilities. A group of Jews from Boston had taken over this school and now have a "Board of Trustees" with some dough and they want to set up a University. It will be Jewish sponsored, but will be (S) (u)

completely non-discriminatory. MAGDOFF is now a member of a Committee for planning this school and one of the members of the Board is a man named LAZARUS (phonetic), who is connected with the Ben Russ Watch Company. The Board wants a Liberal Arts School and also a Medical School. AXELROD inquired as to how much money is in back of this, and MAGDOFF said that whenever money is mentioned, the "guy said that money is no object." At the first meeting, LAZARUS said that probably they cannot build a Medical School because there are no facilities. AXELROD stated it is a matter of medical politics anyway, which will have to be bucked. HARRY explained that they need a man on the committee with some medical knowledge and he would like to know if AXELROD would consider serving on it or test someone for it. AXELROD is interested if it will not take him out of town too much. AXELROD is going to Cleveland next week to attend a convention of American Public Health Association, and there he will meet people who have been connected with this Middlesex School and he will get as much of the background as possible. HARRY inquired if AXELROD knew HARRY WHITE. He does not. MAGDOFF advised that WHITE is interested in this too. (S)(u)

[November 6, 1946] (S)(u)

On this date, HARRY MAGDOFF was in contact with JIM FLETCHER, and they discussed economic matters pertaining to their work at the Commerce Department. During their discussion, JIM mentioned a "piece" he did for WALLACE for Liberty about a year ago that was a challenge to business on preventing inflation. HARRY remarked that Secretary of Commerce HARRIMAN thought "they" should be very watchful of unfair trade practices which squeeze out the little guy, and that a lot can be done by convincing the big guy that this is doing wrong, but HARRY thinks this is "baloney." JIM agreed and asked HARRIMAN's opinion on monopoly. HARRY pointed out that the new N.A.M. line, "If you are against monopoly, you are against business, and if you are against business, you are a Red." HARRY stated that he would guess at HARRIMAN's line "because he is under indictment right now." JIM stated that maybe this would mean "he" would come out with a stand against it. JIM said CATTON (phonetic) and BURGESS (phonetic) told him of an extended talk with "him" a while ago in which he came out very violently against monopolistic practices. HARRY said, "Sure he is against monopolistic practices. He is also against sin." JIM asked if HARRY knew of the study JIM NELSON was doing on waybills, that it looked promising, but was way out of date. HARRY said he thought it would be good to talk to "him" about it and asked if JIM got the assignment directly from "him." JIM will try to talk to him and said "he" talked with a guy named CABELL PHILLIPS (phonetic) of the New York Times, and then passed it on to HENRY SHEARER (phonetic) who was in the office during the talk, and SHEARER passed it on, CATTON being away at the time. JIM said "he" was willing to (S)(u)

do the job all right and he (JIM) will see him the first of the week and in the meantime will talk with VEET and SAM and others to get some ideas to work into an outline which he can change when he sees him; trying to get as much "progressivism" in it as possible. HARRY agreed they could get away with quite a lot if they would make him sound progressive without committing him to anything. JIM asked if HARRY was downcast about the elections. HARRY was. JIM mentioned some of the "liberal contingents" did pretty well, saying the California people are in. They argued as to whether HELEN GAHAGEN DOUGLAS was elected or not, but agreed ALTMAN (pho.) and ED HEALY got in. JIM STATED that VITO MARCANTONIO made it. HARRY said "He sure did" and they agreed on good old "VITO." HARRY asked if JIM saw about WALLACE and his comments, speaking for MARCANTONIO. JIM said, "That took considerable guts." JIM said, "HUGH DELACY lost out, which he expected, knowing Seattle politics somewhat. HARRY doesn't know DELACY. JIM said DELACY was an awfully good guy and smart. JIM went to Graduate School with DELACY and said he got tired of teaching, and, as a matter of fact, "got kicked out of college for being a radical." JIM said "great honor" and HARRY said, "some distinction." (X)(u)

On this date, V. LEWIS BASSIE contacted HARRY MAGDOFF, advising that he had just been in contact with ARNOLD TOLLES regarding "that class." The informant ascertained during this contact that BASSIE and MAGDOFF conversed regarding some type of class which they may teach at the American University. (X)(u)

[November 9, 1946] (X)(u)

On the same date, the informant ascertained that BEADIE MAGDOFF invited AMELIA and GEORGE PERAZICH for dinner on Wednesday, November 20th. AMELIA advised BEADIE that she would let her know later whether they could come, and during this contact BEADIE advised that the PERAZICHs could bring J. KRASIUK, a Yugoslav, who went with the PERAZICHs to DOROTHY KAPLAN's home the other night. In regard to KRASIUK, AMELIA informed BEADIE that he came two or three weeks ago and went to Florida this week-end, and will be there for another week. Also, during this contact, BEADIE asked AMELIA if she would be free Friday night inasmuch as HARRY's radio producer friend in New York and his wife are coming down to Washington to replay on Friday night that wonderful broadcast that was given in New York on the Hurenberg trials the night of the execution. (X)(u)

On this date, FITZGERALD contacted BEADIE MAGDOFF and discussed his contacts with the New Republic Magazine Company. FITZGERALD informed BEADIE and HARRY that his contacts with the New Republic were pretty vague (X)(u)

ED explained to HARRY that the New Republic wants to see some of ED's writings and some references. HARRY asked what kind of people ED gave them and he replied that he didn't give them any and that's what he contacted HARRY about. ED and HARRY discussed approaching WALLACE. ED asked how HARRY made out and HARRY advised he didn't make out either, however, he is not disheartened because he is playing a game with them. They still want HARRY to come there, which is all they will talk about seriously. HARRY advised ED that he has a difficult problem of personal relations. He arranged with them to bring two guys up to New York next Saturday at their expense, along with himself. One of these men should be BASSIE. They are going up to see NORSE. HARRY wants to take KAPLAN for purely personal reasons. On the other hand, GEORGE (probably GEORGE SILVERMAN) has shown most anxiety about it. They discussed KAPLAN's shortcomings, but agreed he would be satisfactory. They also discussed Commerce Department work, at which time ED advised that he saw PHIL HAUSER Thursday and PHIL has seen the Secretary. PHIL has evidently decided it is over and has arrived at the same point that HARRY and ED were. HARRY is writing off his present job and they felt it confirms their own judgment. They returned to a discussion of the New Republic and the possibilities of having former Secretary HENRY A. WALLACE speak to the New Republic on behalf of FITZGERALD. FITZGERALD stated that he talked to a man at New Republic who had an office next to BRUCE BLIVEN, but ED did not know his official position. He advised that this man was in the State Department for five years and, believed, in O.W.I. They discussed ED's getting a job with "New Republic" in terms of an entering wedge. ED was afraid HENRY WALLACE would not remember his name. HARRY felt that WALLACE was such a dope he wouldn't think of getting the right guys in there. HARRY suggested that it might be better if BASSIE contacted HENRY WALLACE, and suggested that WALLACE speak for FITZGERALD. (S)(u)

On this date, ANNIE STEIN, aforementioned in this report as the wife of ARTHUR STEIN, a subject in the COGOG case, contacted BEADIE MAGDOFF and advised she was impressed by BEADIE's League of Women Voters, and that she would try to see BEADIE and HARRY over the week-end. However, BEADIE informed her that they could not make it. ANNIE stated that she would like to get HARRY's ideas on the state of the world from an economic standpoint. BEADIE advised that she and HARRY are going to dinner tonight with the First Vice President of the League, who told BEADIE that she is going to a Board meeting next week and said that she could not go without discussing foreign policy with them. ANNIE said that she is going to a meeting of the Steering Committee Tuesday, and would like to have a discussion with BEADIE and HARRY, and before she goes, she would like them to come to her home on Monday for dinner. They will try to make it. (S)(u)

On this date, BILL DE WIND was in contact with BEADIE MAGDOFF, who discusses a visit to MAGDOFFS' made at CATHERINE STONE's, where they discussed foreign affairs. HARRY took on all comers. BEADIE remarked that Miss STRAUSS (phonetic) said that Russians are going to get the atom bomb anyway, so we can't give it up now. BEADIE stated that CATHERINE STONE desired to talk about domestic economic policy. The MAGDOFFS, as well as everyone else, were pessimistic. DE WIND invited the MAGDOFFS to his home. Subsequently on this date, the informant ascertained that OTTO NATHAN, from New York contacted HARRY MAGDOFF. OTTO had made an outline as a basis for discussion, including things they had talked over and a little more. He wants HARRY to get some stimulating people together for that purpose. HELLER said that the thing should be like a little analogy, a whole RUBE GOLDBERG sort of a thing. HARRY will have a gang of people at the studio. HARRY advised HELLER that he talked to HINCE HYATT (phonetic) about the election. HARRY's former boss made one of the dumbest speeches he ever heard. He thinks he is all wrong. He said he seems to think all you have to do is to encourage these people to make mistakes and things should get so terrible that people would then revolt. (S) (u)

On this date, GEORGE SILVERMAN contacted HARRY MAGDOFF and stated he was going to HARRY WHITE's tonight. GEORGE asked how things were shaping up in New York and HARRY replied "Not so hot." GEORGE said, "We are just jumping around as if things were the way they used to be when actually we have just got to move, that's all." HARRY is beginning to think that the only way anything will get done is for HARRY to go to work for these guys, and if they get some money, we'll be able to start things working and will then be able to expand. GEORGE agreed and said, "We are just trying to organize beyond our control. It is a carry-over from the days we actually worked things out and then some of them sometimes happened. Nowadays, we have to talk simpler point of view with respect to position, etc. The thing to do is to build." GEORGE intends to look for a job in New York "with BILL." (S) (u)

HARRY said he did not talk to HEWITT, but he did talk to BUNSGUY (phonetic), who was going to talk to HEWITT and straighten it out for the past, but the question is the future. HERB said, "Well, the future, I have talked to BUNSGUY and BUN told me he thought that there would be no smell at all on the thing, any possibility of it, HARRIEN should know about the situation. He can make it so that KELLY isn't involved directly. HERB is going to call KILGORE to tell him to call HARRIMAN. In the meantime, HERB is going to write a report on research, which they discussed. HARRY said they had a meeting with HARRIMAN and that he thinks the analysis he gave HERB yesterday was correct. HARRY advised HERB that PHIL (probably PHIL HAUSER) is back and "PHIL is ruining himself with HARRIMAN." HERB said PHIL can't deliver what HARRIMAN wants and added, "All HARRIMAN wants is the lowdown. VEET (BASSIE) has the lowdown built in him." (S)(u)

On this date, HARRY MAGDOFF contacted HARRY WHITE to report that OTTO is scheduled to be here tomorrow and LAZARUS was supposed to come in from Chicago. HARRY WHITE advised that if LAZARUS doesn't get here, the matter will be unnecessary. HARRY MAGDOFF stated that the only hitch in the whole affair is that the guy is practically in tears on this E. M. BERNSTEIN thing. WHITE doesn't care. (S)(u)

Later on this date, AMELIA PERAZICH contacted BEADIE MAGDOFF and stated that her husband, GEORGE, suggested that maybe KRASIUK would like to go to the radio station Friday night. BEADIE will give AMELIA the details tomorrow. (S)(u)

The report of Special Agent C. ALLISON DRISKELL in the above stated case, dated September 27, 1946, at Baltimore, Maryland, sets forth in part some of the information reported above regarding ENGEAN's background. The report of Special Agent DRISKELL states that ENGEAN's first wife, POLLY ENGEAN, divorced him in 1938 because of his activity in the Communist movement. ENGEAN's present wife, IDA, is also an ardent Communist who is said to have been an organizer for the Ladies Garment Workers' Union in New York City and since she came to Baltimore, she has been active in Communist circles in that City and has made speeches at their meetings.

The reference further advises that ENGEAN attended the Emergency Peace Mobilization meeting in Chicago on Labor Day of 1940 and that he kept considerable literature, all of which appeared radical in nature, about his residence. However, this literature suddenly disappeared in the Fall of 1940 when the DIES Committee investigated a DR. BLUMBERG, the leader of the Baltimore Communist Party.

ENGEAN is the step-son of Judge GEORGE K. LARGE of Flemington, New Jersey. It was learned from Judge LARGE that ENGEAN had denied being a Communist in his presence and that ENGEAN's wife, IDA, had also denied being a Communist. This statement at one time had come up in a heated family discussion of political views. Judge LARGE stated that ENGEAN and his wife were sincere CIO affiliates in approving the capitalistic system and IDA ENGEAN had pointed out to the Judge the "down-trodden negro" as a type of injustice wrought by the present social system in this country.

The report of Special Agent DRISKELL further states on page 1 that

Reference is page to page 50 of the report of Special Agent ZANDER in the GREGORY case, dated November 19, 1946, which reflects that on October 30, 1946, SELMA RICE RYAN contacted BEADIE MAGDOFF for assistance in regard to the meat strike. *Refer*

A check of the Washington Field Office indices reveals in the case entitled "SELMA RICE REIN, also known as SELMA RICE, RS. DAVID REIN, Assistant Social Science Analyst, Farm Security Administration, Department of Agriculture, Internal Security - Hatch Act" that informants stated SELMA RICE REIN was listed on the active indices of the Washington Committee for Democratic Action and American Peace Mobilization. She was listed by the Special Committee on Un-American Activities, House of Representatives, as a member of the Washington Committee for Democratic Action. During the course of the investigation of her case by Special Agent HATHORNE PHILLIPS, associates stated that REIN was a member of the Communist group while employed in the National Labor Relations Board and followed the Communist Party line without deviation. Upon interview, REIN refused to answer questions concerning her membership or activity in the Washington Committee for Democratic Action.

The above case regarding SELMA RICE REIN also reflects that in 1944 SELMA REIN, 4872 Conduit Road, N. W., telephone EMerson 2869, was a member of the Washington Book Shop, 916 - 17th Street, N. W., Washington, D. C.

There is also a case in this office entitled "DAVID REIN, Office Attorney, Trial Examining Division, National Labor Relations Board, Internal Security, Hatch Act" which reflects that DAVID REIN, the husband of SELMA RICE REIN, was listed by the Special Committee on Un-American Activities, House of Representatives, as a member of the Washington Committee for Democratic Action. Confidential sources during the course of this investigation, conducted in 1941 and 1942, revealed that REIN was listed on the active indices of the American Peace Mobilization and associates informed that REIN has continuously followed the Communist Party line without deviation and has led the Communist faction at the National Labor Relations Board. It was further ascertained that the records of the Recorder's Office, District of Columbia, Volume 56, page 326, reflect DAVID REIN to be one of the original incorporators and trustees of the American Youth Congress and that REIN gave his then home address as the address of that organization.

Reference is made to the data regarding HARRY MAGDOFF set forth in the report of Special Agent LAURENCE C. ZANDER, dated April 15, 1946, which reveals that HARRY MAGDOFF had received a letter from S. KAMER, 490 Hawthorne Avenue, Newark, New Jersey. The Newark Field Division, by letter dated November 13, 1946, advised that inquiry at the Newark Post Office and the Clinton Hill Post Office Sub-Station, failed to reveal any information regard-

ing S. KANER living at the Hawthorne Avenue address.

Further investigation at Selective Service Board No. 41, which covers the Hawthorne Avenue address, and a check of the Newark telephone and city directories, as well as The Credit Bureau and the Newark Field Division indices, revealed no information concerning the name S. KANER.

Reference is made to page 111 of the report of Special Agent LA BERT G. ZANDER, dated October 17, 1946, at Washington, D. C., which reflects that on the night of September 20, 1946, during the course of a surveillance on the residence of ARNOLD TOLLES, 3412 Quebec Street, N. E., a car, bearing Maryland license 614-511, arrived and a young couple entered the TOLLES' residence at 9:16 P.M. The Baltimore Field Office, by letter dated November 7, 1946, advised that the Maryland license aforementioned was issued to LO ELL P. GAULT, 4600 - 30th Street, Mt. Ranier, Maryland, for a 1946 black tu-door Ford sedan. A check of the Baltimore Field Division indices was made on GAULT with negative results.

Investigation by the Baltimore Office reflects that GAULT occupied Apartment No. 3, 4600 - 30th Street. MRS. CUPPETT, Resident Manager of the Queen's Manor Apartments, Mt. Ranier, Maryland, advised that Mr. and Mrs. GAULT had resided at that address since July 15, 1943. She stated that their application reflected he was at that time employed by the Office of Civilian Defense, located in the Dupont Circle Building, as a Consultant, at \$3,800. per year. GAULT listed his bank reference as the Riggs National Bank, Dupont Circle Branch, Washington, D. C. He listed previous addresses as follows:

3500 - 14th Street, N. E., for approximately five weeks, in care of MRS. JEAN HARRISS, and prior to that at 715 Jackson Street, N. E., Washington, D. C.

The application for the apartment reflected the following references given by GAULT:

PETER STUPEKA

No address or telephone listed

ALFRED HAND

Republic 7500, Extension 71261

Mrs. CUPPETT further advised that GAULT's wife was named RUTH and that they have two children.

Page 110 of Special Agent ZANDER's report dated October 17, 1946, reflects that at 7:40 P.M., when Special Agent L. R. OBERNDORF initiated a surveillance of the TOLLES' residence on Quebec Street, N. E., a Studebaker, bearing D.C. tags 137-755, was observed to be parked near the TOLLES' residence.

(C) It will be noted two of the above letters were addressed to BEN KUROKI. KUROKI is the present occupant of 3317 R Street, N. W., having rented it from the MARSALKAS. The July, 1946, edition of the magazine entitled "See" carried an article captioned "What the Veteran Wants?" by MILLARD LAMPELL, ex-Sergeant, USAAF and author of "The Long Way Home." In this magazine article LAMPELL advocated a full employment bill, a permanent FEPC, the requisitioning of unused dwellings for ex-GIs, and the placing of ceilings on old and new homes. He cited an incident demonstrating racial prejudice involving BEN KUROKI. KUROKI was described as a Japanese American who was tail gunner of TED TIMBERLAKE's Flying Circus. KUROKI was reported as having flown 58 combat missions and won three Distinguished Flying Crosses and six Air Medals.

It should be noted informant [] advised KUROKI received a communication from the American Civil Liberties Union, 170 5th Avenue, New York 10, New York. This communication requested he permit the use of his name as a signer of a statement protesting against resolutions

"We hope that you will be able to get things arranged to your satisfaction, and that you will come to see us soon. Best of everything,

The Cincinnati Field Office has been requested to attempt to identify these individuals.

It will be noted above that mail was received by MARSALKA postmarked October 22, 1946, from the Washington Committee to Win the Peace, 802 F Street, Room 29. This organization is known to the Washington Field Office as a communist front organization. The letter received by MARSALKA read as follows:

"Dear Friend:

"The primary issue facing us today is shall we have peace or war. The whole world is looking to America to lead the way toward unity and peace. We are being judged by our deeds and not by our words. Peace can be attained only by a policy which works toward understanding and good will. Instead, our present 'realistic' policy based on the inevitability of war is destroying the hopes and aspirations of all who have already suffered so much. We are being forced into a position which can lead only to another war.

"As individuals, however genuine our feelings and lofty our aims, we must despair at the overwhelming odds against our being heard. But if many such voices are united in a common organization the aim of which is to promote a progressive foreign policy much can be accomplished.

"The Committee to Win the Peace has been established to implement the seemingly forgotten aims and ideals of FRANKLIN D. ROOSEVELT, to unite the scattered voices for a progressive and just foreign policy. It aims to counteract the widespread organized and highly financed efforts to foster yet another war. It will seek to promote the thesis that peace comes through understanding among all nations and contentment among all peoples. We will denounce fascism and reaction wherever they are found, for these are the seedbeds of war.

"The National Committee to Win the Peace, with offices in New York, has been functioning for some time. Local committees have been established throughout the country. You probably attended the Win the Peace rally at the Watergate last June sponsored by the National Committee. A conference to expand our local organization will be held on November 16th at the Building Laborers' Union Hall.

Sincerely yours,

BABS FELDMAN

"P. S. The enclosed pamphlet may be of interest to you. If you wish to have copies mailed to your friends, please send their names and addresses to our local office."

The pamphlet referred to as being enclosed was entitled "Open Secret," and Reports on the Betrayal of ROOSEVELT's Peace Policy, and American Preparations for World War III, selected and documented by TABITHA PETRAN." The pamphlet contained 31 pages and was a publication of the National Committee to Win the Peace. The pamphlet contained comments by Colonel EVANS F. On the same date, RANDY FELTUS contacted JENNIE MILLER and advised her that he had just gotten in and would be here for only one evening inasmuch as he is leaving for New Orleans the next day. He advised her that he was going to have with him this evening the Polish equivalent of BILL BENTON of the State Department and that he is also having some newspaper people coming over and he would like to have BOB and JENNIE meet him too if it would not embarrass BOB. JENNIE advised him she would call BOB and let him know later whether they could make the invitation. RANDY told her he was staying at the Hay-Adams House, Rooms 204 and 206, and that the press conference starts at 6 P.M. In the case entitled, "WILLIAM HERMAN ECKHART JOHNSON, ET AL," Washington Field Office file #100-114213, it appears that NEAL has had several contacts in this case. In the report of Special Agent WILLIAM A. KOLAR at New York dated August 22, 1946, the activities of one, BERNARD L. KOTEN are set out. KOTEN, who is active in this case, contacted FRED NEAL on June 28, 1946, at which time they discussed SIMONOV and EHRENBURG, Russian writers who had visited the United States. They discussed an automobile which NEAL was getting for SIMONOV. KOTEN advised NEAL that he is sending him a check for \$1620.00. (S)(u)

On July 8, 1946, KOTEN called NEAL and NEAL told him that he had an appointment with Secretary WALLACE who was going to arrange an export license for a Chrysler for SIMONOV. NEAL also asked KOTEN if he desired to send a note as there is someone from the State Department going to Moscow in a week or so. KOTEN said he had nothing special (S)(u)

Also contained in the above mentioned report is a list of checks drawn against the account of KONSTANTIN SIMONOV, which list records a check dated June 25, 1946, made payable to FRED NEAL in the sum of \$1620.00. The indorsement shows it was deposited in the Manhattan National Bank at Washington, D. C. (S)(u)

In the report of Special Agent WILLIAM A. KOLAR at New York dated November 8, 1946, it is stated that KOTEN was in contact with SIMONOV and they discussed the purchase of two automobiles which was being made for SIMONOV and EHRENBURG by FRED NEAL of the State Department. KOTEN advised that the cars had been purchased but he had not as yet obtained the export licenses. (S) (u)

On August 14, 1946, KOTEN contacted FRED NEAL of the State Department at which time KOTEN advised he had spoken to SIMONOV who was presently in Paris. They discussed a Cadillac which NEAL is purchasing for SIMONOV and it was arranged that NEAL was paying for the car and would later be reimbursed by SIMONOV. NEAL told KOTEN he liked SIMONOV but he was aggravated by SIMONOV's continuous complaints that the State Department was following him at the time he visited the United States. KOTEN stated that SIMONOV did this to take pressure off the tactics his people are always accused of. (S) (u)

FRED NEAL contacted KOTEN and advised him that the car which he purchased for SIMONOV was in New York and it would be delivered to the MOORE-McCORMACK Steamship Lines as soon as KOTEN sends him a check for \$270.00. KOTEN advised NEAL that he would like to secure the biographies of the Soviet Embassy officials in Washington, D. C., which are furnished the State Department by the Soviet Embassy. He stated that his reason for wanting these biographies was the fact that he was often called by newspapers and requested to furnish information regarding these officials. He advised NEAL that the Soviet Embassy would not give him this information. NEAL told KOTEN that the State Department does not like to give out the information but he had someone in mind who could check it for him. KOTEN told him not to bother with this information if it were secret. NEAL said he would see what he could do and he would advise KOTEN when he again visits the Soviet Embassy. (S) (u)

RE: ABEL ROTH PLENN

The following investigation covers the period November 1st to November 15, 1946, inclusive and is reported by Special Agent WILLIAM H. MARR. (u)

The following information regarding PLENN'S activities during this period is furnished by Confidential Informant [REDACTED] b2 b7D

On November 1, 1946, ALLEN BENJAMIN, boy friend of TOPPIE PLENN, talked to DORIS PLENN. During the conversation DORIS mentioned that ABEL PLENN is going to Chicago to speak on December 7th, his subject being Spain. (u)

~~SECRET~~

61878

On November 2, 1946, PLENN talked to an individual known as BILL, who has not been identified. It is known, however, that BILL'S wife's name is PEARL and that both BILL and PEARL have been friends of the PLENNs for a considerable time, apparently dating to the years the PLENNs lived in the New York City area. During the conversation between BILL and the subject BILL mentioned that he had dinner with HAROLD BALLOU in New York. PLENN mentioned that he had heard that BALLOU was in Washington but did not see him. They mentioned he is trying to secure a position with the United Nations and further commented that BALLOU'S wife and son had gone to Mexico recently and that BALLOU himself had returned from Greece not long ago, where he had worked for UNRRA. PLENN commented that BALLOU formerly worked with OWI in Washington at which time PLENN was assigned to the Spanish Theatre. PLENN mentioned that he had tried on several occasions to get information from BALLOU, but was completely unsuccessful. PLENN commented that BALLOU was in an excellent position to let him know what was going on, but never did. Apparently BALLOU also served in London with OWI. (S)(u)

At the conclusion of the conversation PLENN also told BILL briefly about the Latin-American History which he has been writing for sometime. PLENN mentioned that his book is going to be about one thousand pages long, will cover both the literary and social field and should be completed sometime next month. (S)(u)

On November 4, 1946, the informant advised that in a conversation between PLENN and his wife, DORIS, PLENN indicated he had talked to an unknown individual whom the informant believed was named "WILDER" however, it is believed that there is a strong possibility that this individual is Dr. A. CURTIS WILGUS, Professor of Latin-American History at the George Washington University. PLENN indicated that WILGUS wanted him to come and speak to his class and PLENN indicated that he would do this after his next trip (apparently the December 7th trip to Chicago.) PLENN further mentioned that WILGUS told him that he had a prospectus of a new book on Latin-America written by BLAIRE NILES. PLENN pointed out that Miss NILES is a conservative and has a rather large following in American historical circles; that her history is supposed to be published this fall and apparently considerably resembles PLENN'S in general composition. According to the informant PLENN was quite upset, pointing out "NILES' slant would be different. She would never take the social approach that I am doing." (S)(u)

On November 5, 1946, PLENN told his wife that he had recently talked to SAM ROSENBERG and they had coffee together. PLENN further mentioned that SAM ROSENBERG is to get in touch with DORIS PLENN in the near future and also mentioned that SAM expects to go to Europe in approximately three weeks where he will make a photographic study of the American Zone in Europe. The trip will take approximately a year. (S)(u)

SECRET61879
61879

On November 7, 1946, ANDREW H. OLDER, one of the principal subjects in this case, had a lengthy conversation with ABEL PLENN. PLENN commented in the early part of his conversation with OLDER that he felt all right in spite of the bad news about the election. PLENN commented that BOROWITZ put up a good fight and was very nearly elected in spite of the dirty trick that the machine pulled on him. (This candidate is the individual who ran on the Democratic ticket as a candidate for the House of Representatives in one of the Wisconsin Districts. There was considerable publicity developed concerning his candidacy, which was exposed in "Time" magazine and other periodicals in which it was pointed out that his background was Communistic. As a result of this he was repudiated by various leaders in the Wisconsin Democratic Party. It was the opinion of numerous candidates that this expose was responsible for his defeat.) (C)(u)

After the preliminary part of the conversation OLDER mentioned that he had run across a matter on which he thought PLENN could help him. He then explained that approximately three weeks before the Yugoslavian plane incident (involving the shooting down of an American plane and killing of American personnel) an American plane containing three officers was shot down over Spanish Morocco--the affair being quickly hushed up by the State Department. PLENN indicated that he had heard nothing about it and inquired if OLDER knew any of the Spanish Information Personnel in New York. OLDER replied in the negative and PLENN mentioned that he knew one individual up there (in New York) who might have some information on the matter; that the Agent for this organization in Washington also might be of help. This man, one MIANA, was in New York rather than Washington at this time. PLENN gave OLDER the name and address of the Director of Spanish Information, 35 West 53rd Street, New York 19, New York, as JAUME MIRAVITELLES. PLENN then mentioned that he could think of only one other source--namely someone in the French Embassy. He inquired if OLDER knew JEAN DAVIDSON of the France-Presse. At the conclusion of the conversation PLENN offered to call someone in the State Department whom he knew personally and indicated that if he got any information he would call OLDER. (C)(u)

After talking with OLDER PLENN immediately placed a telephone call to the State Department, the informant advising that he called the International Cultural and Intellectual Section, Extension 3626 (Mr. MAY'S office) and inquired for one ELIZABETH DEEBLE, whose extension is 3412. PLENN talked with her very briefly and made an appointment to see her at 3:45 P. M. November 7th, Room 556 at the State Department office at 18th and Pennsylvania Avenue. (C)(u)

On November 8, 1946, PLENN talked to his wife and mentioned that he had lunch with BORIS KRYLOV (of Tass News Agency). PLENN told his wife very vaguely that he told KRYLOV about "some things" but gave no indication of the specific nature of their discussion. *(S) (u)*

On November 8, 1946, KATHERINE HURLEY talked to DORIS PLENN and they discussed the recent reception at the Russian Embassy which they both attended. It will be recalled that KATHERINE HURLEY is the wife of Communist GRANVILLE HURLEY, a well-known Negro Communist sympathizer. DORIS and KATHERINE agreed that the one disagreeable feature of the reception was the fact that sharply at 7:00 P. M. the lights were turned out and the guests were practically shown to the door. KATHERINE commented that the Russians need someone who is an expert on American social customs to advise them on such point. KATHERINE also invited DORIS to attend the lecture at the Ieland Junior High School, *(S) (u)*

Chevy Chase, Maryland, on Tuesday, November 12th, at which time the Authoress PEARL HUCK will lecture in honor of book week. KATHERINE very pointedly commented that arrangements had been made "right down to the ushers" for assurance against any racial discrimination. (S)(u)

On November 12, 1946, ABEL PLENN talked to a Mrs. Mac Intosh (ph) in New York City, telephone Number Plaza 3-5181. He told her that he was sending her an article on Spain, pointing out that there is a tremendous wave of terror Spain, and he has received some letters from a Spanish mother which he has permission to write. Mrs. MacIntosh reportedly told PLENN that perhaps they could sell the article to the "Atlantic" (presumably "Atlantic Monthly") or some other good magazine. Mrs. MacIntosh also inquired about PLENN'S book and he told her that it was almost finished and would be completed in December. (S)(u)

On the evening of November 12, 1946, PAUL BOSWELL attempted to contact PLENN at his home. In PLENN'S absence (he was at his study room in the Library of Congress) BOSWELL talked with DORIS PLENN. BOSWELL mentioned that ELIZABETH (presumably his wife or child) is making a study on Fascism in Action and ELIZABETH'S angle is agriculture. PAUL wondered if ABEL could suggest some good books on Spain and other countries. (S)(u)

On November 13, 1946, DEWITT ELLRIDGE of the George Washington University talked to DORIS PLENN. They agreed to meet in front of the Lisner Auditorium, George Washington University at 12:30 P. M. November 14, 1946, and indicated they would eat at the Faculty Club. (S)(u)

A surveillance of this meeting was conducted and will be reported later in this insert.

PHYSICAL SURVEILLANCES

Occasional spot surveillances have been conducted at the Library of Congress and it is known that PLENN continues his work in his study room, Number 37, Deck A. He has not been observed to contact anyone at the Library of Congress other than the members of the Library staff.

appeared on the active indices of the Washington Committee for Democratic Action. The files of the Special Committee on un-American Activities, House of Representatives, likewise reflected his name as a member of the Washington Committee for Democratic Action and further reflected the name "HAROLD BALLOU" as a member of the MARIAN ANDERSON Citizens Committee. At this time BALLOU was employed as Senior Information Specialist, Office of Information, Department of Agriculture. He was born October 31, 1898, at Newport, Rhode Island. He is married and has one child. He graduated from Cornell University in 1922 and has also studied at the University of Michigan, in Paris, France, at the University of Madrid, at the Sorbonne and the College de France, both in Paris. He has travelled in Latin America and in Europe. He first entered Government Service in 1934 and has continued in this service to date. Past addresses for BALLOU are given as 729 20th Street, N. W. (1935), and 1320 G Street, N. W. (1940). As a result of the foregoing investigation it was ascertained that BALLOU was not known to be affiliated with, or a member of any alleged subversive organizations, and from all indications he was a loyal American.

A subsequent report dated April 22, 1942, made by Special Agent FORREST F. BURGESS at Philadelphia, Pennsylvania, reported that no information had been secured indicating BALLOU was a member of any un-American organization, but it had been learned that he had attended meetings in Washington, D. C. for the benefit of the Loyalist Cause in Spain, and that portions of an October, 1941, edition of the "New Masses" had been observed in a wastepaper basket in his home.

HOCHMAN is reported as married and having one child. He is also reported to speak and read German and Russian and is by his own admission able to master languages quite easily.

LEONARD C. RENNIE

The name LEONARD C. RENNIE has appeared quite frequently in this case as a contact of subject PLENN. It has been determined that RENNIE is an employee of the State Department and according to files of this office was apparently employed by the Federal Works Agency in the summer of 1942. At this time RENNIE reported to the Washington Field Office one UEHLING, a German alien living in Charles County, Maryland, as an individual who was possibly un-American. RE: ALLAN ROBERT ROSENBERG

The following investigation covering the period November 1st to 15th inclusive, 1946, is reported by Special Agent WILLIAM H. MARR.

The mail cover maintained on the residence of ROSENBERG, 6955 Brooks Lane, Brookmont, Maryland, provided no information of value during this period. Mail received by the subject was of a business nature and ~~typical letters were those from the Riggs National Bank, Washington, D. C. and the Farm Bureau, Columbus, Ohio.~~

Confidential Informant [REDACTED] furnished the following information concerning the activities of the subject: b2 b7D

The Informant pointed out that there was extremely little information of a pertinent nature to report during this period and mentioned that most of the information he had learned concerned social activities of ALLAN and ERNA ROSENBERG, along with routine business contacts made by the subject.

On November 1, 1946, MARY WHEELER asked ERNA ROSENBERG to work on the meat consumers strike. ERNA agreed to work at the Safeway Store at Spring Garden for an hour in the next day or two.

On November 2nd HERBERT SHANKIN talked to ALLEN ROSENBERG and mentioned that he was considering setting up a practice in Washington and as a result had talked to HARRY BOOTH. HARRY BOOTH mentioned that ALLAN ROSENBERG might have some office space for HERB. ROSENBERG invited SHANKIN to come to his office and discuss the matter.

On November 13th FAY GLASSER and ERNA ROSENBERG had a lengthy conversation. FAY discussed her recent visit to the Lisner Auditorium at the George Washington University and the two women had quite a discussion concerning wealthy people who attended. Both of them pointedly exhibited their jealousy over the wealth of the "high temple set." ERNA ROSENBERG mentioned that subject ALLAN ROSENBERG expects to make a trip sometime in December.

On November 14, 1946, ALLAN ROSENBERG while talking to his wife mentioned that he had contacted Rabbi GERSTENFELD. ROSENBERG said that he told the Rabbi that they wished to join his temple and furthermore that he desired a letter of recommendation to assist him in obtaining a membership at the Woodmont Country Club. ALLAN also mentioned to the Rabbi that he and his wife wished to adopt another child.

"liberal" and "left of center" but not as a Communist. Other persons feel that PLOTKIN is an apologist for Communism and an admirer of Soviet Russia. No evidence was found that PLOTKIN is a member of the Communist Party in Washington, D. C.

One source interviewed pointed out that he had known PLOTKIN for approximately four years and had found him to be an admirer of Communism and of Soviet Russia. The mail cover placed on subjects home during this period met with negative results. (S) (u)

On October 1, 1946, SILVERMAN was in contact with CHRIS WAGNER at which time they discussed various surplus property transactions in which SILVERMAN is interested. At the end of the conversation WAGNER asked SILVERMAN how DICKS (SILVERMAN'S son) Russian was. SILVERMAN said not bad and that he was taking up German to finish it out. GEORGE mentioned that DICK is only going to be around a little while and that he would return to school. (S) (u)

On October 3, 1946, SILVERMAN was in contact with CHRIS WAGNER at which time they discussed a surplus property transaction involving a quantity of parachute silk which CHRIS had offered to RHEINER (ph.). CHRIS said he was waiting for a call from RHEINER and that it was a beautiful entry through him into Gimbel Brothers. (S) (u)

On October 4, 1946, SILVERMAN conversed with his wife, SARAH at which time he was at the airport in New York City preparatory to boarding a plane. During the conversation he mentioned that he saw JERRY (possibly JERRY OHRBACH) and that JERRY had spoken to BILL (possibly BILL O'DYER). (S) (u)

On October 7, 1946 SILVERMAN was in touch with JERRY OHRBACH at which time SILVERMAN said he was coming to New York very soon and wanted to talk to BILL O'DYER. JERRY said to come down and start on his own and GEORGE advised that he believed that he would. (S) (u)

On the same date SILVERMAN attempted to contact OSCAR ALTMAN, who is in the International Fund in FRANCO'S office at extention 2206 however ALTMAN was not available at that time. (S) (u)

~~SECRET~~

On October 9, 1946, SILVERMAN was in contact with his son DICK at which time DICK mentioned that he had not gotten drafted that day and had just returned from Baltimore. (S) (u)

On October 10, 1946, SILVERMAN conversed with FRANK COE another subject in this case and COE agreed to break a luncheon engagement he had with SCHUMAKER (ph.) and BILL TAYLOR and meet SILVERMAN at Fan and Bills Restaurant on that date at 12:30 for lunch. SILVERMAN mentioned that they (the SILVERMANS) would probably be out to visit the COES on Sunday. (S) (u)

On October 13, 1946 SILVERMAN was in contact with an individual known to informant as HAL and HAL agreed to come by for GEORGE in about ten minutes to go play volley ball. (S) (u)

On the same date SILVERMAN conversed with DAVE EIMTRAUB telling him that he wanted to see him that day. DAVE advised that he would be at home that afternoon and GEORGE agreed to see him there between one and two P. GEORGE remembered that BILL O'DYER'S wife died the previous day and that it sort of "messed things up." (S) (u)

On the same date SARAH SILVERMAN, GEORGE'S wife, conversed with FRANK COE advising him that SILVERMAN had made arrangements to see DAVE EIMTRAUB so that he would be unable to go to COES that day. (S) (u)

On the same date SILVERMAN was in contact with FLORENCE WAGNER at which time they discussed the death of O'DYER'S wife. She wants to know if SILVERMAN is going to New York that weekend and he said that he didn't think so as it would probably be difficult to see O'DYER. (S) (u)

On October 14, 1946, CHRIS WAGNER was in contact with SARAH SILVERMAN, GEORGE'S wife, at which time CHRIS stated that he had just signed his contract with the China Corporation for 14,000,000 ties and that the commission to GEORGE and himself would be \$500,000.00 over the next five years. (S) (u)

On October 15, 1946 DAVID KAPLAN contacted GEORGE SILVERMAN and asked if he was going to HARRYS (possibly HARRY WHITES) that night. GEORGE said that he didn't know and KAPLAN said that he had (S) (u)

On the same date SILVERMAN was in contact with HARRY MAGDOFF another subject in this case at which time they discussed a deal SILVERMAN has pending in New York pertaining to a job with the City Administration that he expects to receive from BILL O'DYER and also a job which he is contemplating taking with JERRY OHRBACH. SILVERMAN said he was thinking of going to New York for a while and looking the city over as he had a lot of time until he actually would go to work for the City of New York. He said that if he did go to New York he would also have time for organizing "this other thing" with MAGDOFF, (possibly referring to the new Council of American Business Incorporated in which MAGDOFF is interested). They then discussed the manner in which MAGDOFF should handle the negotiations with the new Council of American Business Incorporated and SILVERMAN said it was important for MAGDOFF to have a place where he could do some programing rather than tie in with a "guy" by the name of HENRY (possibly HENRY WALLACE) and that MAGDOFF should make bringing in this other fellow a condition of his acceptance. SILVERMAN said a single proposition in huge terms is too big for them to swallow in the beginning and that it should be proposed after the thing is operating. MAGDOFF said that they have been bothering him for some time and want him personally and that the reason he hesitated was because he does not have too much confidence in their following through. SILVERMAN said that MAGDOFF has to have some place through which he can plan to do the things he wants to and that one reason why he was not too pleased with what happened the previous night was because they had to put it in the terms of WHITE (HARRY WHITE) which meant that possibly the thing would end up with being under the control of someone who would finally make a move in the other direction. MAGDOFF said he would go at it from a number of angles and SILVERMAN replied that if they worked the thing properly that they could possibly use HARRY (possibly HARRY WHITE) to get into the CIO. (S)(u)

MAGDOFF said he would like to have SILVERMAN meet these people (representatives of the new Council of American Business Incorporated) and will be in touch with SILVERMAN later when he arrives back in Washington, D.C. (S)(u)

talked HARRY out of having some individuals there which apparently SILVERMAN does not like. SILVERMAN said that in that event, he would probably be there. (S) (u)

On October 17, 1946, SILVERMAN contacted his son DICK to ascertain if any calls had been received for him. He then conversed with his wife SARAH and told her that he had gone to the French Supply Council to find out about "this call." GEORGE said it was a girl named ROSILAND MILLER whom he had once gotten out of a bad jam. He said that she is after him to locate a position for her. (S) (u)

On the same date an individual known to the informant only as "CLEP" possibly LESTER CLEPPER, was in contact with SILVERMAN and SILVERMAN said that he was having lunch with OSCAR (possibly OSCAR ALTMAN) the next day. CLEP said that he couldn't make it. He also told GEORGE that he knew of two openings in Housing and asked if GEORGE knew AL WOOLSTEADER. GEORGE said that he did not and CLEP told him that he thought there was an opening for a job as branch chief and thought that the three of them CLEP, SILVERMAN and WOOLSTEADER should get together and talk it over. They agreed to meet on Monday at 12:30 PM outside of the Mayflower Hotel. CLEP mentioned that he is still interested in the New York deal and GEORGE said that he is definitely thinking in terms of CLEP and one other guy. (S) (u)

On October 18, 1946, ALBERTA ALTMAN, the wife of OSCAR ALTMAN, contacted SILVERMAN and advised him that OSCAR would be unable to have lunch with him that day as he was tied up at the Bureau of Internal Revenue. (S) (u)

On October 19, 1946, DOROTHY KAPLAN contacted SARAH SILVERMAN and told her that they (the KAPLANS) would come to the SILVERMANS early that afternoon. (S) (u)

On October 22, 1946, SILVERMAN was in contact with JOE GOULD at the State Department, extension 2979 at which time GEORGE said that he was meeting AXELROD at 2:30 PM in the Gralyn Hotel. JOE said he doubted if he could make it as he had a meeting at 2:15 PM. (S) (u)

On the same date a man, whose identity was not definitely known to the informant, but whom he believed to be LESTER CLEPPER, contacted GEORGE SILVERMAN and said that he had made an appointment with MOOLSTEADER (ph.) and would like GEORGE to attend. They agreed to meet at Fan and Bills Restaurant on Thursday at 12:30 PM. GEORGE remarked at this point, "We wouldn't want to cross the picket lines at the Mayflower." The meeting was possibly concerning a job for SILVERMAN in the Government. The man said that his office telephone is Republic 7500 extension 72025. An anonymous telephone call was made to Republic 7500 extension 72025 and a girl answered the telephone stating that it was Mr. MOSES office. (S)(u)

A check of the telephone directory for the War Agencies reflected that one MORRIS MOSES is listed for extension 72025. This directory also reflected that he is employed by the National Housing Agency and that his office is located in Room 8-206, Temporary Building E.

On the same date FLORENCE WAGNER conversed with GEORGE SILVERMAN telling him that CHRIS was still in New York and that she might have to ask GEORGE for some money. She mentioned that she owed \$1,000.00 for income taxes. GEORGE said he would be glad to help her if she needed it. They then discussed BILL O'DYERS going to California and GEORGE said that there is nothing he can do in New York now. (S)(u)

On October 23, 1946 GEORGE SILVERMAN attempted to contact JERRY OHRBACH in New York City but JERRY was in California. GEORGE then conversed with NATHAN OHRBACH and said that he was coming to New York. GEORGE said he had not heard from BILL O'DYER and didn't want to contact him at this time because of the recent death of his wife. NATHAN mentioned an individual who was formerly assistant mayor and was put up for judge and expressed extreme dissatisfaction with him. GEORGE said he would wait until JERRY returns before he goes to New York. (S)(u)

On October 24, 1946, GEORGE SILVERMAN contacted his wife SARAH and said that he had lunch with CLEPPER and a man from Housing. (S)(u)

On October 26, 1946 SILVERMAN conversed with Miss HELEN H. RINGE at Executive 2420, extension 710. GEORGE asked her to have lunch with him and they agreed to meet at 1:15 P. at the Occidental Restaurant. GEORGE then decided that it was too close to the hotel that was being picketed and thought that they had better stay out of the restaurant. They then decided to meet at the bus stop at 14th & I Streets, N.W. opposite the D. J. Kaufmann mens store at 1:15 P.M. GEORGE then asked if she would rather meet him at her home and HELEN said that it would be better. She told GEORGE that if he got there before she did the key was on the sill over the hinge of the door. (S)(u)

On the same date GEORGE SILVERMAN was in contact with HARRY WHITE, another subject in this case, at which time they agreed to meet the next morning in an unnamed park about 10:30 AM. SILVERMAN said that he would like to talk to HARRY about several things and would know more about it the next day because HARRY MAGDOFF went to New York. (S)(u)

On the same date HARRY MAGDOFF was in contact with SILVERMAN and told him that he returned the previous night with a feeling that it worked out alright. He explained that he spoke to a small group and that they in turn were going to talk to the rest of the board. He mentioned that they discussed raising a million dollar fund. SILVERMAN remembered that WHITE told him he had some information in relation to what they were talking about and mentioned that he would see WHITE either that afternoon or tomorrow. SILVERMAN and MAGDOFF tentatively arranged to meet the next afternoon or possibly that (S)(u)

afternoon and HARRY said that he would tell him what the major obstacle was in his whole talk with the people in New York. He went on to state that they wanted him to be general manager for the organization but that he had his reservations about it and wanted to discuss it with SILVERMAN. (S)(u)

On the same date IRVING KAPLAN, another subject in this case, contacted Mrs. SILVERMAN and wanted to get up a poker game but Mrs. SILVERMAN said that GEORGE and DICK had already gone out. (S)(u)

On October 27, 1946, FRANK COE was in contact with SILVERMAN and advised him that he, COE, had been in touch with HARRY MAGDOFF. SILVERMAN said that HARRY told him about it and that WHITE was such an enthusiastic man when it came to him, SILVERMAN (this was allegedly said in a sarcastic tone). SILVERMAN said he told HARRY he would give him a decision in ten days and that the whole schedule was thrown off by BILL O'DWYERS going to California. He also mentioned that he had an offer from the Housing director of the requirements division and that he had to make a decision in a week or two. COE said "E. N." was around to sound him out on whether SILVERMAN would be interested in something in the bank (possibly the World Bank where COE is employed) and that he told him that he should be sure that there was a possibility there before he talked to HARRY about it. (S)(u)

GEORGE was in connection with RANDY FELTUS and that he had seen FELTUS and FELTUS had apparently worked with "these people" in an advisory capacity and was under the impression that there was some very able people at the head of it but that they were having trouble getting additional funds because other people weren't quite clear as to what their benefits were concerning the arrangement. HARRY said that he knows "these guys" better than FELTUS does. GEORGE said he was not interested in meeting BERNIE and all these "guys" and that he told HARRY WHITE of MAGDOFFS meeting with them and the distinction they had in their minds regarding the council and the institute as far as HARRY WHITE was concerned and that WHITE was ready to make any move they asked him to. HARRY then said that "we" will come around to your house about 8:30 tonight. (S) (u)

On the same date ED FITZGERALD, another subject in this case, contacted SILVERMAN and said that his daughter was sick and that he and a couple of the others thought that the next night would be better than meeting that night. GEORGE agreed with him and said that HARRY might not be around. (S) (u)

NATHAN GREGORY SILVERMASTER

A mail cover placed on this subject during the period of this report produced only the following correspondence of interest.

On November 15, 1946, GREGORY SILVERMASTER received a communication from THOMAS E. CLARK, 4434 Connecticut Avenue, Washington, D. C.

Confidential informant [redacted] reported that Mr. and Mrs. GREGORY SILVERMASTER received a communication addressed "Dear GREG, HELEN, and LUD" on August 5, 1946. This communication was signed HERBERT, and the only address furnished by HERBERT was in care of KOEHLER, 107 Waverly Place, New York City. The communication indicated that HERBERT had recently been in Washington and had unsuccessfully attempted to communicate with the SILVERMASTERS. b2
b7D

The New York Office was requested to identify if possible this individual and reference is made to the report of Special Agent JOHN T. HILSBOS dated November 21, 1946, at New York, wherein the individual who sent this letter and known only as HERBERT was identified as one HERBERT HEWLETT. Complete background information on HEWLETT is set forth commencing on page 67 of the aforementioned report, also indicating that HEWLETT was secretary to N. GREGORY SILVERMASTER while the latter was employed in the labor division of the Farm Security Administration in 1942.

Informant [redacted] also reported that on October 15, 1946, GREGORY SILVERMASTER received a communication from OMER MILLS, 2869 Broderick Street, San Francisco, California, in which SILVERMASTER's assistance was requested in obtaining for the writer the position of regional director of the New Farmers Home Administration. b2
b7D

The same informant reported Mr. and Mrs. N. GREGORY SILVERMASTER were in receipt of an announcement from Mr. and Mrs. MARCEL S. KISTIN in which the birth of a daughter MARGERY NORMA KISTIN was announced on October 10, 1946.

Informant [redacted] also advised the SILVERMASTERS were in receipt of correspondence and brochures from the Washington Committee to Win the Peace, 302 F Street, N. W., Washington, D. C., including specific request for the SILVERMASTERS to register for the Washington Win the Peace Conference to be held in Washington on November 16, 1946. b2
b7D

Mr. and Mrs. N. GREGORY SILVERMASTER also received an announcement from Mrs. GEORGE WALTER KLINGER announcing the marriage of her daughter KARYL KEEN to EDWARD RUTLEDGE in New York City. b2

The following information was obtained from [REDACTED] regarding the activities of the subject from November 1 to 15, 1946. b2 b7D

Informant advised HELEN SILVERMASTER continued to be active in securing pledges for the consumer campaign being conducted by various organizations previously referred to in this report. HELEN SILVERMASTER continued to be in frequent contact with JENNY MILLER, the wife of ROBERT T. MILLER.

On November 2, 1946, an individual subsequently identified as RICHARD KILLOUGH contacted GREGORY SILVERMASTER at his residence and identified himself as a Princeton student, that he was in Washington as a representative of a students' political society known as the Whig Cliosophic Society. He was particularly interested in inviting GREGORY SILVERMASTER to speak before a forum of the Society's members at Princeton University. SILVERMASTER extended an invitation to KILLOUGH to visit him at his home which invitation was subsequently accepted.

On November 3, 1946, informant advised EVA and BORIS WITTE, brother and sister-in-law of HELEN SILVERMASTER, were guests at the SILVERMASTER home.

On the same date informants advised that an individual believed to be HENRIETTA KLOTZ contacted HELEN SILVERMASTER and advised they were staying at the Statler Hotel and would be in the city for another day and if convenient would call upon the SILVERMASTERS the following evening.

On the following evening as a result of a physical surveillance maintained upon SILVERMASTER's residence, a 1942 Mercury sedan bearing New York license 97-652 was observed in front of the SILVERMASTER residence and individuals believed to be HERMAN and HENRIETTA KLOTZ arrived in this automobile at approximately 7 p.m. The New York Office subsequently advised the license number for this car was issued to HENRIETTA KLOTZ, 19 East 88th Street, New York City.

Informant advised that HELEN SILVERMASTER continued her frequent association with Mrs. CLIFFORD MacAVOY.

On November 6, 1946, PHILIP CLIN KEENEY contacted HELEN SILVERMASTER inviting her, her husband, and ULLMANN to dinner at the KEENEY residence on that evening. The visit of the SILVERMASTERS and LUDWIG ULLMANN to the KEENEY apartment was observed by agents of this office and is reported in the portion of the report under the caption of PHILIP CLIN and MARY JANE KEENEY.

On November 8, 1946, HELEN SILVERMASTER extended an invitation to ROBERT MILLER and his wife for dinner on the following evening.

On the same date ELIZABETH SASULY was in contact with HELEN SILVERMASTER at which time ELIZABETH SASULY indicated they had obtained reserva-

tions to fly to Mexico during the following week and would probably remain there for a month's vacation.

On November 14, 1946, HELEN SILVERMASTER indicated to Mrs. CLIFFORD MacAVOY that GREG SILVERMASTER had resigned his position with the War Assets Administration. At the present time GREG has made no definite plans as to the immediate future. However, he is conferring with some engineers for an unidentified airplane factory, and these individuals are trying to get him interested in their project, and LUDWIG ULLMANN is affording GREG some moral support in the matter. At the same time HELEN SILVERMASTER indicated that ULLMANN is anxious to sever his relations with the Treasury Department and added she is under the impression everyone is trying to get out of the Treasury Department at this time.

It is apparent to the informant that GREG SILVERMASTER has been excited about this new venture of his for a period of some weeks, but that HELEN SILVERMASTER does not have much faith in his ability as a business man and concluded it would be disastrous for them if he went into a business venture.

~~SECRET~~Re: H. BOVEN SMITH

The following investigative results were obtained by Special Agent C. D. CHAPMAN. 61200

The following information was supplied by Confidential Informant [redacted] unless otherwise indicated. b2 b7D

October 5, 1946

MARY JANE KEENEY spoke with MRS. CLAYTON SMITH, inviting her for dinner on Friday, October 11, 1946.

October 10, 1946

MARY JANE KEENEY contacted ETHEL ALPER, stating that she wanted ETHEL and her husband, BEN, to come over so they could meet her friend, DAVE LAHL. MARY JANE said that DAVE would not be at her apartment Friday night but that the ROSENBERGS and BOVEN SMITH would be there. She stated that if DAVE LAHL came, he would bring the DUNA AYS with him.

October 13, 1946

MARY JANE KEENEY contacted BOVEN SMITH to ask if they had any spare clothing that would fit an eight year old boy. MARY JANE said HELEN BOOTH had written her about these things for her friends, the German anti-Fascists. BOVEN said they had given an awful lot to Russian War Relief. MARY JANE said: "Yes, so did everybody." BOVEN continued: "You know we felt the need was more urgent and had a lot of personal feeling about it." MARY JANE said that the stuff HELEN had asked for would cost about 350.00.

MARY JANE asked BOVEN if he had seen the Gallup Poll this morning. He replied in the negative. MARY JANE said "This is the Gallup Poll on the BYRNES policy. I would say it is the Gallup Poll on the amount of mis-information disseminated by the Press. The main question was 'Have you followed the argument about BYRNES' ideas and A. LACE's ideas for dealing with Russia?' 42% had and 52% had not. Of this 42%, 73% voted for BYRNES."

BOVEN commented: "A beaut, isn't it? - Well, I have never been a follower of the true results of the Gallup Poll. Several polls on elections sort of put him out of business, like the Literary Digest."

MARY JANE then stated "Well, I wish he were out of business right now before going on with this kind of thing." BOVEN replied that he would look for the paper when it arrived with all the juicy details.

On the same day, MARY JANE KEENEY contacted MRS. CLAYTON SMITH to inquire whether BOVEN had left his raincoat at her place and was advised in the affirmative.

~~SECRET~~October 11, 1946

MARY JANE KEENEY contacted BO EN SMITH and said she wondered if ELEANOR LATTIMORE could come over this evening as well as BO EN and G EN (LATTIMORE) if he is available. BO EN replied that ELEANOR would have to talk to CARL GREEN in view of his independent attitude and that ELEANOR would contact MARY JANE later on.

October 13, 1946

Confidential Informant [REDACTED] advised that ALLAN ROSENBERG contacted BO EN SMITH. ALLAN advised that he had gotten BO EN by mistake and said that he had just talked to ED BRECHER and he told ALLAN to contact HARRY, giving ALLAN BO EN's number by mistake. b7D b2D

October 14, 1946

MARY JANE KEENEY contacted CLAYTON SMITH to see if she would be home this morning so that MARY JANE could bring BO EN's raincoat by.

October 23, 1946

MARY JANE KEENEY contacted CLAYTON SMITH to ask the SMITHs to attend a lecture by the author of a book entitled "Sharkskin and Millet". CLAYTON declined, stating that they had read the book and didn't like it. CLAYTON said she found the book "embarrassing" and didn't believe the author knew much about the subject matter.

November 4, 1946

BO EN SMITH inquired of MARY JANE KEENEY the time of ANGUS' arrival. BO EN suggested that they should have a little gathering when ANGUS arrived. O EN and ELEANOR LATTIMORE were particularly anxious to hear him and he advised that they had thought about having EVELYN COOPER also. BO EN said he would call later in the week to make definite arrangements.

BO EN then inquired if ANGUS would have to do any reporting to the War Department to which MARY JANE replied she did not know.

BO EN then inquired about the story on DAN LEVIN (ph). MARY JANE said that he was down this week-end. He is in New York with United Nations but actually under the State Department. He thought when he first went up that he might be broadcasting in Russian to the Soviet Union but the more he thought about it, the less he liked the idea for very obvious reasons and the chance came along to do straight reporting for the Committee and Commission meetings of U.N. and this is what he is doing now. They agreed that the other

job would have been a "pretty treacherous" thing". BO EN stated ⁶¹⁸²³Under ideal circumstances, it would have been perfect but not under the existing circumstances". MARY JANE said: "The circumstances are anything but ideal." BO EN expressed regret that he did not get to see them before they left.

BO EN asked MARY JANE if she knew CARL GREEN's old friend, JOE BERGER. MARY JANE advised that she did not. He (JOE) has been a friend of CHARLIE FLAIO (ph. "and all those people on the Hill" for years and he, his wife and twelve year old child are going to Moscow for a year or two but BO EN does not know for whom they are going.

November 6, 1946

ANGUS KEENEY to BO EN SMITH. BO EN expressed how eager he and CLAYTON are to hear some of his experiences. "Mum is the word, but I will talk." BO EN volunteered to limit the company. He will get in touch with the LATTIMORES and they will all arrange to get together. ANGUS advised that he has forty-five days leave here but is going to try to get an extension over Christmas. He advised that he and MARY JANE may go to New York the week-end after next for three or four days. ANGUS said that he will definitely have to go back to Japan.

The following information was secured by Special Agent C. S. VOELKER on October 17, 1946.

Reference is made to the report of Special Agent L. BERT G. ZANDER dated October 17, 1946, at Washington, D. C., regarding a home which had been purchased by the BO EN SMITHs at 1421 - 33rd Street, N. Y.

The records of the Columbia Title Company, 503 E Street, N. Y., reflect that the house was sold to Mrs. SMITH by DOROTHY G. OOD, Real Estate Agent, 253 P Street, N. Y. Miss OOD received from H. BO EN SMITH \$2,000. on June 28, 1946 and \$38,000. on the date of conveyance. Total price of the house was \$40,000. SMITH is to pay an additional \$1,500. every six months to date of maturity. A \$28,000. payment was made in part by a check on the Equitable Trust Company, Baltimore, Maryland, dated August 9, 1946, in the amount of \$27,133.67. signed by Mrs. CLAYTON CROMBELL SMITH. Previous owners of the property were listed as EDWARD G. MILLER, Jr. and CAROL, who have moved to New York City. Confidential Informant [redacted] advised that SMITH received a letter from MILLER reflecting his New York address to be 142 East 71st Street, New York City.

On October 12, 1946, ELEANOR TIMBERG contacted ANN REMINGTON and suggested that they fix a date as to when they could meet each other. ANN advised ELEANOR that some friends of hers had just returned from England and she wanted ELEANOR to come out and meet them. ELEANOR inquired if ANN met DAVE and CHARLOTTE LLOYD who live on Russell Road. ANN disagreed saying that it was not the LLOYDS. They agreed on meeting at REMINGTON'S residence on Wednesday night.

MERVIN TOBIAS contacted BILL REMINGTON and asked BILL if he had read the associated press in the Post on our "construction story". BILL said he had not, whereupon, TOBIAS read the article to BILL. The article is supposed to be over a misinterpretation of the facts. BILL advised TOBIAS that the only way to prevent such things in the future is to be for STEELMAN to hold a press conference. TOBIAS suggested that they should call the Associated Press but BILL advised him that they have no figures to back themselves up and does not believe they can do anything in view of the line the Associated Press is taking inasmuch as they may be out to do some sneering. Subsequently, TOBIAS contacted REMINGTON to tell him about his, TOBIAS', appeal last Wednesday before the Civil Service Commission. TOBIAS mentioned he had about ten Congressmen and Senators interested in the case and willing to apply pressure with the possibility of more. He also said that the Democratic National

On November 14, 1946, BILL REMINGTON contacted the Washington Post, Extension 292, and talked to PAT SHEPHERD and advised her that he is working on an article at his home. He inquired if her schedule is open next week, adding that he would prefer Monday. She advised him she would not be able to get away before 7:30 on Monday whereby they agreed to meet on Tuesday. He told her he would call sometime during the day to get things straightened out and she told him that she has something to tell him regarding a correction on the story which has to do with a party at PARKS MARTIN.

The government is the big interest here and people are afraid of the so-called Red-Baiter". HOCHMAN went on to say that PLENN would be surprised at the people who had dropped out because of the terrific pressure put on them. PLENN said he knew and said it was a shame. HOCHMAN asked if they could use PLENN'S name as a sponsor. PLENN said no because he did not want to be associated with "Win The Peace" for if the press asked if he were a member he could say no because it effected his speech making and besides he wanted to finish his first. HOCHMAN said that he was a government employee and a reserve officer, and commanded a fighter base in China. They finally said that no announcements would be made but that perhaps PLENN would speak at the afternoon session on November 16, 1946.

ANNE WHITE advised Mrs. PRESSMAN that BERNIE BERNSTEIN would speak on Townhall of the Air on Thursday evening, November 7, 1946, and invited the PRESSMANS. "SUNNY" declined stating they had a party at the Embassy on Thursday afternoon, and the PRESSMANS would attend with some people with whom they would have to spend the remainder of the evening. (u)

One HENRIETTA, believed to be HENRIETTA KLOTZ, at SILVERMASTERS' home, contacted ANNE WHITE who thought she had returned already. HENRIETTA stated she spent part of the day at the Visa Section. She also stated she went to see Miss McDONALD, Treasury, and they had the cases on the man's desk by the time she got there. HENRIETTA thought she would be helpful although HERMAN discouraged her from going. She mentioned they had an office in London; namely, the customs people, and the woman in charge there, a French girl, is a good acquaintance. HENRIETTA mentioned she saw Mr. VINSON (FRED VINSON) in court meeting him very accidentally and had a long visit with him. She stated he was very nice and could have avoided her but went out of his way to be nice. (u)

(u) HENRIETTA advised HERMAN planned several trips to Boston and Chicago and would make several speeches. Reference was also made to ELEANOR, apparently her daughter, and ANNE stated she was glad to hear ELEANOR was being made president of her class. (u)

(u) [November 5, 6, 1946] - Nothing of importance reported.

[November 7, 1946] (u)

Mrs. LEE PRESSMAN contacted WHITE in the evening advising they had not left the Embassy, presumably the Russian Embassy, until very late and were at Fan and Bill's Restaurant. They inquired if it would be all right to bring Dr. ROGER and REBA LEWIS along. It is recalled this is the evening the WHITES planned to have company listen to BERNARD BERNSTEIN's broadcast. (u)

[November 8, 1946] (u)

On this date ZAKI SAAD contacted WHITE suggesting lunch on Sunday, November 10, 1946, as his ex-minister of commerce is here. WHITE declined because they planned going out Sunday. SAAD mentioned Dr. SMITH was going home and would not go to Egypt because he said there must be political trouble between the International Bank and the government. (u)

WHITE contacted JOEL FISHER who stated he returned to Washington that day and advised he would leave by plane November 22, 1946, and his wife would sail on the America about December 5, 1946. FISHER stated he had to visit New York for a couple days contacting some of the distribution agencies, and they agreed to get together for talk when FISHER returned from New York. FISHER indicated he is connected with the Inter-Governmental Committee, presumably the Committee on Refugees by that name known as IGC. (S)(u)

He indicated he was somewhat worried and alarmed about the approach to the problem by the organization as contained in their literature. WHITE claimed lack of knowledge and inquired if the organization was the same that HARPER joined. FISHER stated no, that the organization HARPER joined is purely Jewish. In response to FISHER's query, WHITE stated it would not hurt for him to talk to his ex-boss apparently meaning HENRY MORGENTHAU, Jr., and BILL O'DWYER, New York mayor, about the matter. FISHER stated he had already discussed it with BERNIE BERNSTEIN who told FISHER he was pleased he had taken the job. The names of JOHN PAHLEY and JOE DUBOIS were mentioned as being familiar with the organization. (S)(u)

MAGDOFF contacted WHITE discussing visit on the following night. MAGDOFF mentioned the Middlesex organization had stated he had spoken to his doctor friend about it who had some comments about the difficulty in setting up a medical school. WHITE also mentioned a young medical friend from Johns Hopkins who would attend the meeting the following night, making reference to Dr. ROGER LEWIS. MAGDOFF indicated the name of the school had been stated as Brandeis. Apparently WHITE did not like this name and stated they would change it. MAGDOFF mentioned EINSTEIN did not wish his name used as long as he is alive. MAGDOFF indicated LAZARUS and OTTO NATHAN would come Thursday. WHITE stated he had been unable to talk with CHARLIE KRAVER. (S)(u)

[November 11, 1946] (S)(u)

indicated SARAH had loaned ANNE two books, "Freedom Road" and "Citizen TOM PAINE." SARAH mentioned the EDGERTONS felt the book "Freedom Road" lost its validity when they had the negro man sitting with white people at the same table. [November 12, 1946] (S)(u)

WHITE advised his wife he had spoken with GEORGE BOLTON (phonetic) who was about to invite them the same night as they are leaving soon. WHITE stated MALANICH (phonetic) is not here but WHITE thinks he will be. He stated RAZIENSKY is here with his wife. HARRY indicated he would invite PARSONS and MALANICH and would like to have this fellow GRIGG from the bank who is an Englishman.. They agreed they would ask DISSENTI (phonetic) if he could get MALANICH. Apparently these individuals are connected with WHITE's employment at the International Bank. It is noted WHITE has engaged in considerable social activity since assuming his present position. (S)(u)

[November 13, 1946] (S)(u)

MAGDOFF contacted WHITE advising OTTO NATHAN was scheduled to be at the meeting the next day, and LAZARUS would come in from Chicago if weather permitted flying. He stated OTTO had outlined in writing something similar to that outlined by WHITE, although not so complete. MAGDOFF indicated NATHAN had apparently talked with BERNSTEIN and felt badly because BERNSTEIN could not attend the meeting. WHITE seemed somewhat incensed since this was not a meeting NATHAN was calling, and that he could bring anyone he wished. WHITE stated he was not acting as host but merely providing his house for the meeting. (S)(u)

(S)(u) [November 14, 15, 1946] - Nothing of interest.

Physical Surveillance

On the evening of November 4, 1946, surveillance was conducted by Special Agent M. A. TAYLOR outside the WHITE apartment from 7:40 p.m. to 9:30 p.m. At 8 p.m. the automobile of HARRY MAGDOFF, Virginia 173-938, was observed to park in front of this building to the left of the entrance and MAGDOFF and a smaller companion left the automobile and entered the WHITE apartment. Subsequently, they entered apartment 114-B and the second man was identified as GEORGE SILVERMAN. MAGDOFF and SILVERMAN could be seen talking with HARRY and ANNE WHITE. No one else was observed in the apartment. Surveillance was discontinued at 9:30 p.m. with SILVERMAN and MAGDOFF still visiting the WHITES.

On the evening of November 12, 1946, surveillance was conducted at the WHITE residence by Agents WILLIAM HARR and A. S. BRENT from 8:45 p.m. to 12:45 a.m. Through the windows of the WHITE apartment, agents ob-

served HARRY and ANNE WHITE, MAGDOFF, and two other men later identified as GEORGE SILVERMAN and Dr. ROGER LEWIS conversing in the living room. Dr. LEWIS participated fully in whatever discussion transpired. The above conference continued until 12:30 a.m. when Dr. LEWIS departed and was observed to drive away in a 1946 Plymouth bearing Maryland license 550-061 registered to Dr. R. A. LEWIS, Route 3, Bethesda, Maryland. Shortly thereafter MAGDOFF and SILVERMAN left the WHITE apartment driving away in the automobile of MAGDOFF, Virginia license 178-838.

On the evening of November 14, 1946, surveillance was again conducted at the residence of WHITE by Agents BRENT, TAYLOR, and the writer. Surveillance was begun at 7:45 p.m. by Agent TAYLOR at which time HARRY WHITE, ANNE WHITE, HARRY MAGDOFF, and two other men could be observed in the living room. One of these men was later definitely identified as OTTO NATHAN, and the other is believed to have been one LAZARUS mentioned previously. At 8:40 p.m. another man entered the apartment and joined the conference. This man later departed from Washington for New York with the individual believed to be LAZARUS. There was also apparently a sixth man in the apartment, namely, EDWARD M. BERNSTEIN, assistant director, Bureau of Monetary Research, although he could not be observed through the apartment window.

At approximately 10:30 p.m. Agents ZANDER and BRENT joined Agent TAYLOR and were present when the meeting adjourned at 12:15 a.m. Five men were seen leaving the WHITE apartment. They walked from the building together and strolled around the circle to the left where one man detached himself from the group and entered a Ford sedan, D. C. license 119-348, registered to EDWARD M. BERNSTEIN, 3513 Northampton Street, N. W. The other four men entered the automobile of HARRY MAGDOFF and were driven to the Statler Hotel where two men entered while MAGDOFF and companion circled the block. The two men who entered the hotel were observed by Agent ZANDER to obtain a suitcase from the check room and one, believed to be LAZARUS, joined MAGDOFF at the K Street entrance of the hotel. The individual remaining in the hotel was surveilled by Agent ZANDER to his room 939 and identified as Dr. OTTO NATHAN, 55 East 10th Street, New York City, who registered November 13, 1946, and planned to depart November 15, 1946.

The remaining two men were driven by MAGDOFF to Union Station where they chatted a few minutes, then verified sleeping accommodations for New York on Pennsylvania train 108 departing Washington at 2 a.m. One of these individuals is believed to be the man LAZARUS. His companion was unidentified. Descriptions of both were obtained.
